

# Arbovirus workshop – Speakers (1/4)

📍 **Dr. Florence KOMURIAN-PRADEL**, *Fondation Mérieux, France*

- Welcome & Opening session

📍 **Dr. Mª Cassia Mendes-Correa**, *Instituto de Medicina Tropical, Virology laboratory, Brazil*

- Course aims and structure

📍 **Dr. Aluisio Augusto Cotrim Segurado**, *Instituto de Medicina Tropical, Faculdade de Medicina da Universidade de São Paulo, Brazil*

- Arboviruses as a Global Health Threat

# Arbovirus workshop – Speakers (2/4)

- 📍 **Dr. Julio Croda, *Fundação Oswaldo Cruz, Brazil***
  - Epidemiological situation of Arboviruses in Latin America

- 📍 **Dr. José Eduardo Levi, *Instituto de Medicina Tropical da Universidade de São Paulo, Brazil***
  - PCR and Real-Time PCR

- 📍 **Dr. Camila Malta Romano, *Instituto de Medicina Tropical da Universidade de São Paulo, Brazil***
  - Phylogeny of Alpha and Flaviviruses: implications for diagnostic assays

# Arbovirus workshop – Speakers (3/4)

📍 **Dr. Ester Cerdeira Sabino**, *Instituto de Medicina Tropical, Faculdade de Medicina da Universidade de São Paulo, Brazil*

- Sequencing technologies and viral discovery

📍 **Dr. Clarisse Martins Machado**, *Instituto de Medicina Tropical da Universidade de São Paulo, Brazil*

- Arbovirus Infections Clinical Diagnosis

📍 **Dr. Otilia Lupi**, *Fundação Oswaldo Cruz, Brazil*

- Laboratory Algorithms for Arbovirus Infections: a clinical approach

# Arbovirus workshop – Speakers (4/4)

- 📍 **Dr. Ana Marli Christovam Sartori**, *Faculdade de Medicina da Universidade de São Paulo, Brazil*
  - Vaccines for arboviral diseases

- 📍 **Dr. Esper Georges Kallas**, *Faculdade de Medicina da Universidade de São Paulo, Brazil*
  - Epidemiological situation of Yellow Fever in Brazil and Predictors of mortality
